

St. Luke School

Dear Families,

December 19th, 2019

As we head into our final days of school before the Christmas holiday and prepare for the fourth Sunday of Advent, I pray that you take time to stop and reflect on the many gifts you have been blessed with. Personally, I have taken time to see the “joy” in the eyes of our students as they prepare for the Christmas program or listen to the Advent prayer service on Monday mornings. Last week, I heard one of our Pre-K students exclaim with great joy to his older brother that their baby brother is here! Their mother had given birth that morning while the two were at school. The boys’ classes had kept her in their prayers and were just as excited to hear the news. The look in their eyes was/is filled with tremendous “joy”. I imagine there was the same joy when the first shepherds came to visit Jesus after his birth.

My prayer for you this Christmas holiday is that you take time to enjoy family, friends, and be present to the joy of the birth of Jesus. “May the star of Bethlehem which shone brightly over the first crib stand guard over you and your home, filling it and all the Earth with light and peace. because by Your holy birth, You give hope to all the world.” - (excerpt from Prayers for the Domestic Church) During this Christmas season, please hold on tightly to hope and create moments of joy by simply looking people in the eye, perhaps shake their hand, and acknowledge them with a warm greeting. Often we do this at Mass during the sharing of peace.

Blessings to all of you this Christmas, and may the New Year bring us all joy, peace, and hope. May we be thankful for all the gifts that come from God flowing fully, day and night, into the lives of our St. Luke community.

Looking forward to seeing everyone in the New Year. School resumes on Monday, January 6th. There will be many moments of JOY during the coming year filled with reflection, inquiry, and thankfulness from all that we get to do as we continue to respond to the Holy Spirit’s *call to action*! With the guidance of the Holy Spirit, we are certain to accomplish great things.

God bless,
Rick

We are Inquiring Minds, Hearts for Jesus, and Hands for Service.

The financial aid window is now open for the 2020-2021 school year.

Once again, Fulcrum and St. Luke School are partnering with FACTS Management to collect and process the tuition assistance grant applications. Our application window is open

October 1, 2019-January 8, 2020

(applications submitted after 1/8/20 will **not** be eligible for Fulcrum grants)

You can access the application from the St. Luke website (under the Admissions tab, then Tuition Assistance) or by using the link

<https://online.factsmgt.com/signin/3FW06>

As a reminder, submitting the application online is just the first step. All applicants must also provide supporting documentation, like tax forms and W-2's. Applications can only be verified and processed once all necessary documentation is submitted. It takes FACTS about 14 business days to process applications once paperwork is received, so the sooner it's submitted, the better.

If you have any questions, please contact Jennifer Roben at (206)542-1133 or at jroben@stlukeshoreline.org.
