

# St. Luke School

Dear Families,

February 20th, 2020

Isn't it great to see the sun shining on the beauty that surrounds us! After months of gray clouds and rain, it feels we are turning the corner to say goodbye to winter and prepare for spring. There is a plant near the entrance of the school off the Bowman Plaza that is letting off an amazing fragrance. Often, I will point this out to families so they can take a moment to appreciate the wonder of nature. Perhaps you have done the same? I bet all of you are feeling the same way; including the students!

I am hoping many of you will be able to come to the State of the School presentation next week on Thursday, February 27<sup>th</sup>, in the school auditorium at 6:30PM. We will update you on the progress of our IB journey, latest MAP data, parish/school communications, and the school's financial health. Additionally, I will be sharing with you the results of the parent perception survey and upcoming events to celebrate our school community.

Also, please plan on attending our next All School Mass on Ash Wednesday, February 26<sup>th</sup>, at 9:30AM. This special Mass marks the important start to our Lenten journey. As we did last year, we will be inviting you to prayerfully journey with us each Wednesday afternoon during Lent at 2:15PM, as we end our school day with Mass in the church just before dismissal.

Please plan on attending the musical 'MARY POPPINS' this week. Performances are scheduled for this Thursday, Friday, and Saturday evening starting at 7:00PM in the school auditorium. Every student and staff member in the MYP have participated in the production of this play in a variety of ways, such as: set design, marketing, lighting, choreography, technology, costuming, construction, concessions, stage managing, and acting. Our talented cast and crew are looking forward to entertaining you in song and dance!

Lastly, as we continue to honor Black History during the month of February, I want to share with you another quote: Life's most persistent and urgent question is, "What are you doing for others?" – **Dr. Martin Luther King Jr.**

Shine your "light" on beautiful and breathtaking moments. Celebrate the wonder of nature with your family. Take time to dream and be open to the "call to action" by the Holy Spirit. Be bold! With your help, we are certain to accomplish great things. What do you notice about Thursday's date, 02.20.2020? May be a good day to see things in a perfect way!

God bless,

Rick

We are Inquiring Minds, Hearts for Jesus, and Hands for Service.
